At the Lipper Fund Awards gala held on February 3, National Bank Securities received three awards, including the Best Mixed Assets Fund Group Award, in recognition of the excellence of its investment solutions.

Given to the group of funds that delivered consistently strong risk-adjusted returns over a three-year period, the Best Mixed Assets Fund Group Award demonstrates National Bank Securities' expertise in offering turnkey solutions tailored to investors' needs. The National Bank Small Cap Fund and Growth Managed Portfolio were also recognized during the ceremony, for their five-year returns.

What makes National Bank Securities' line-up of investment solutions stand out from its peers is the confidence and discipline displayed by Natcan Investment Management, the lead portfolio manager of National Bank Securities Mutual Funds.

This year marks the fifth anniversary of the Canadian Lipper Fund Awards. Lipper Awards are presented in 23 countries in Asia, Europe, the Middle East, North Africa and North America.
